Christmas is Coming Advent Calendar

Gemma McLean reports:

Many years ago Revd Julian Duckworth produced a booklet containing a suggested Bible reading, brief explanation, a short passage from the Writings and a craft activity for each day of advent.

Carolyn and Ray Kennion converted this leaflet to digital text, which I have used to create an interactive advent calendar.

The calendar is suitable for all ages and should work on all devices.

To access the calendar, simply visit:

<https://generalconference.org.uk/advent>

You can bookmark the web page to allow easy daily access in December.

I have made the first day of December available straight away to give you a taster of how it works. Door 2 will become available on the 2nd December, Door 3 on the 3rd, and so on.

Please feel free to share the link with others and if you create the advent picture, E-News would love to see it!

All the Year Round

Geoffrey Bentley writes:

All Year Round is a collection of 'Daily Readings for the New Church' published by the Federation for young people in 1935.

It has become my habit to read a passage from the Word illustrated with a quotation from the Writings by Swedenborg over breakfast. It sets me up for the day. In this way I am led into parts of the Word and the Writings which are unknown to me.

My copy of 'All the Year Round' is volume 3, so I assume that there are volumes 1 & 2 and, maybe, 4.

I am coming to the end of no. 3 and would like to move on to one of the other year's issue. If anyone has a copy either at home or lurking in a Church cupboard somewhere, please let me know. I am most willing to do an exchange and pay for the postage involved.

Anyone interested can contact me by e-mail at:

Thank you,
Geoffrey Bentley
