Training and Development

Becky Jarratt writes:

Becky Jarratt and Sue Chesworth are the links on Committee of Ministers and Conference Council for training and development. In this role we have been working on plans on how we can develop the expertise and confidence of employees and volunteers.

We have plans in place for training in the following areas:

- Line management
- Basic management skills
- Communication
- Leadership

There will be other areas to look at in the future, but we feel this is a good place to start.

On Monday 22nd April the first of these training sessions will take place at Purley Chase. Those who hold roles as line managers, or are likely to in the very near future, are being invited to attend. There is a limit on places to ensure each individual has the opportunity to check in with the trainer.

If this is something you might be interested in, please let Becky know as spaces may become available. We hope to have further training in this area in the future: becky.jarratt@generalconference.org.uk

Please pray for those attending. We hope that this training will help us in moving the church further on our mission to bring people closer to the Lord through the teachings of Emanuel Swedenborg.
