Purley Chase – Another big thank you!

Readers of E-News may recall an item published in August 2022 thanking the members and friends at Paisley New Church for their great generosity in donating £15,000 to cover the cost of a major upgrade of the telephone system at Purley Chase Centre, involving the installation of a fibre optic cable with associated benefits.

At the time, it was hoped that everything would be completed that autumn. Hope springs eternal, and it was only recently that the project was completed with

the installation of Wi-Fi throughout the building. What a wonderful surprise it was when Paisley made it known that they would cover the additional expense incurred, an additional donation of £2,655.

All guests and visitors to Purley Chase will be delighted to hear the news of the completion of the work, and grateful for Paisley's further contribution.

CAM Brainstorming on Zoom

The Committee for Auxiliary Ministry is hosting a Zoom session at 7pm on Wednesday 22nd May 2024. The aim of the session is to look at how Zoom can be used to offer study, training, prayer and discussion groups to the wider Church. Everyone is invited to join the meeting to brainstorm ideas and suggestions of what people would like to see on offer. As well as members of the CAM committee, Revd Becky Jarratt and Revd Brian Talbot will be present to explore how Zoom can be used much more effectively than at present.

If you are interested in participating please contact CAM coordinator, Jan Millar, at jan.millar@generalconference.org.uk and she will send you the link a few days before the meeting.
