### Seaburn Dene's Advent Videos

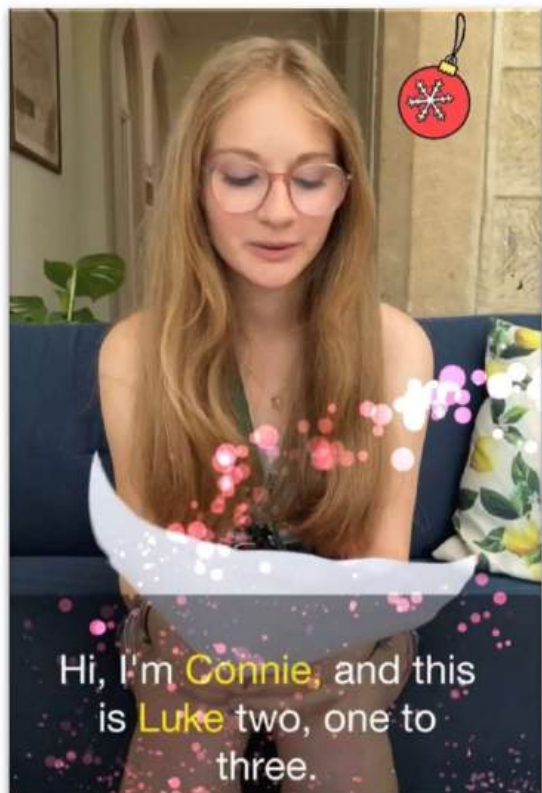

#### Lynne Griffiths writes:

Christmas is a time of counting down, excitement to the big day itself. For many (myself included!) the days will be marked by the opening of an advent calendar, possibly with a sweet treat inside (Terry's chocolate orange here!). For Christians however advent is a time of preparation. At Seaburn we have recorded our own version of an advent calendar in the retelling of the Christmas story through daily videos featuring not only Seaburn members but also

members of General Conference from across the country. Join us from December 1st to view our daily readings. We hope you enjoy the videos, check out the daily emojis also by the title.

May these videos be a blessing to each of us, perhaps you can open your chocolate calendar then enjoy it whilst watching our videos.....
