Seaburn Dene Refurbishment

Lynne Griffiths writes:

Seaburn Dene New Church is delighted to announce that following a successful grant application we have been awarded a further community chest grant from Sunderland City Council. This will allow us to complete the refurbishment of our community rooms downstairs which we started last year following our first grant. Work has already begun as you can see in the photos removing the old carpet tiles from the

passageway and 'green' room ready for new carpeting (Thanks Geoff and Hazel!) and new vinyl will also be laid in the kitchen and toilets freshening up the rooms. The new flooring will be laid by Mid May. We have also booked a painter for the end of July who will repaint the back door and back stairs creating a welcoming entrance to the church. Our rooms are used by many community groups on a regular basis and it is wonderful we are able to update the building to modern expectations which will improve the experience of visitors to the church.

We keep our hire costs as low as possible to be of benefit to the community so are delighted that Sunderland City Council have agreed to support us once more. We look forward to showing round a representative from Sunderland council once all works are completed. We also can't wait for our friends across the churches to see our improvements when they next visit! We'll share photos when the works are completed to!

Thanks to Lynne also for her work on the grant applications and liaison with the businesses.

Divine Providence Workshop 10th May

Saturday 10th May Divine Providence

- and the way of the spiritual bracelet

Ever felt that your life is being 'guided'? Divine Providence works on an internal level and always leads us in the direction of regeneration or spiritual enlightenment. In this experiential workshop you will be invited to look at your life in terms of Divine Providence.

In this workshop each participant will make a unique 'spiritual bracelet' as we explore Divine Providence and how it is at work in each of our lives. Each bead chosen will represent a significant event in your life and each bracelet will be highly personal.

Once the 'spiritual bracelet' has been created we will look at how this can be used in our own spiritual path.

This is an ideal workshop for those looking to take their first steps on the path to spiritual enlightenment. This workshop will also give an introduction to the Heavenly Teachings revealed by Emanuel Swedenborg.

The workshop will be led by Robin Wooldridge,
Leader of Education at Swedenborg Open Learning Centre
