Purley Chase Centre Update

You may be aware that there have been some recent difficulties at our Purley Chase Centre. An offer of assistance from Anne Gaffney, to cover a recent short-term period of staff absence, was gratefully accepted by the Council.

The Trustees have put together a new Purley Chase Management Team (PCMT) who will be looking at how we deal with Purley going forward. They will be involved in planning the next phase and making recommendations regarding staffing and

management requirements. The team will report to, and be supported by, Conference Council throughout this process.

The PCMT will be looking at ways of keeping the building operational during these changes but there may be a need to close it for a period of time.

We recognise that this may cause some concern and inconvenience, and we appreciate your patience and understanding as we work through these matters. We remain committed to the future of Purley Chase and will keep you informed as further information becomes available.
